RESEARCH INTERESTS

Bioarchaeology, human osteology, social inequality, emerging social complexity, commingled human remains, European prehistory, quantitative methods in bioarchaeology, isotopic approaches to diet and mobility.

ACADEMIC POSITIONS

- 2019–2020 **Adjunct Assistant Professor, Vassar College.**
2019–2020 **Research Associate, McDonald Institute for Archaeological Research.**
2017–2019 **Marie Skłodowska-Curie European Fellow, University of Cambridge, McDonald Institute for Archaeological Research.**
2017–2019 **Post-Doctoral By-Fellowship, Churchill College, University of Cambridge.**
2016–2017 **Visiting Scholar, University of Pittsburgh, Center for Comparative Archaeology.**

EDUCATION

- 2016 **Ph.D. Anthropology, University of Michigan.**
Thesis: The Bioarchaeology of Mortuary Practice at Marroquíes Bajos, Spain.
2011 **M.A., Anthropology, University of Michigan.**
2009 **Diploma in Environment, McGill University.**
2008 **B.A., 1st Class Honours Anthropology, English Literature, McGill University.**

CONFERENCE PARTICIPATION

Sessions Organized

- 2019 04/12 – Beck, J., and C. Quinn. Co-Organizers and Co-Chairs, Living and Dying in Mountain and Highland Landscapes Podium Session. *Society for American Archaeology*.

Presentations (* = invited session)

- 2020 08 – **Beck, J.**, P. Díaz-del-Río, R. Domínguez, L. Hernández, I. Martínez-Navarrete, A. Uriarte, M. Díaz-Zorita Bonilla. Bioarchaeological and isotopic approaches to inequality at Los Melgarejos (Getafe, Spain). *European Association of Archaeologists, Disentangling Inequality and its Mechanisms in Late Prehistoric Europe through Isotope Analysis Podium Session*, submitted 14/02/2020.
- 2020 08 – **Beck, J.**, A. Waterman, H. Ciugudean, C. Quinn, C. Uhnér. What does it mean to be local? Isotopic approaches to movement and identity in the Bronze Age of southwestern Transylvania. *European Association of Archaeologists, From Isotope Ratios to Narratives: Exploring the Ways that Biogeochemical Studies are Impacting Eurasian Archaeology Podium Session*, submitted 14/02/2020.
- 2020 08 – Ciugudean, H., C. Quinn, **J. Beck**, and C. Uhnér. From West to East: The Diffusions of Late Copper Age Carpathian Heritage to the Yamnaya Groups in Light of Funeral Practices. *European Association of Archaeologists, Podium Session 186*, submitted 17/02/2020.
- 2020 04 – **Beck, J.**, H. Ciugudean, C. Quinn, C. Uhnér, G. Bălan, R. Burlacu Timofte, C.F. Pare, T. C. O'Connell. Life at the crossroads: Isotopic investigations of diet and mobility in late prehistoric Transylvania. Submitted to *American Association of Physical Anthropologists General Poster Session*, 03/10/2019.
- 2020 04 – Hayes, Vivienne, C. Quinn, **J. Beck**, and H. Ciugudean. Place as identity: A diachronic analysis of people and mountain landscapes in the Romanian Bronze Age. Submitted to *Society for American Archaeology General Poster Session*, 09/11/2019.
- 2019 05/09 – Díaz-Zorita Bonilla, M., G. Aranda Jiménez, M. Bartelheim, **J. Beck**, D. Chala-Aldana, P. Díaz-del-Río, J. Escudero Carrillo, C. Knipper, and M. Sánchez-Romero. Multi-isotopic approaches to human mobility during the Late Prehistory of Europe in southern Iberia. *European Association of Archaeologists 18/02/2019. Massive Migrations? Multiscalar and Multidisciplinary Approaches to Prehistoric*

Migrations and Mobility in Europe Podium Session.

- 2019 17/05– Beck, J. Osteoarchaeological and isotopic approaches to the Copper Age in central and southern Spain. *IberoArch UK 2019: Ibero-British Archaeology Beyond Borders*. Podium Session.
- 2019 *13/04 – **Beck, J.** The labor of building a community: Collective organization and mortuary practices in Copper Age Iberia. *Society for American Archaeology*. Cooperative Bodies: Bioarchaeology and Non-Ranked Societies Podium Session.
- 2019 *12/04– Quinn, C., and **J. Beck**. A Bioarchaeological Approach to Contested Mountain Landscapes in Transylvania’s Golden Quadrangle. *Society for American Archaeology*. Living and Dying in Mountain and Highland Landscapes Podium Session.
- 2018 *06/09 – **Beck, J.** Embodied Inequity? Bioarchaeological Approaches to Inequality in Copper Age Iberia. *European Association of Archaeologists*. Political Matters in Prehistory: Papers in Honor of Antonio Gilman Guillén.
- 2018 *08/09– **Beck, J.**, C. Quinn, H. Ciugudean. Pattern, Process, and Processing: Post-Mortem Interactions with the Dead in Late Prehistoric Europe. *European Association of Archaeologists*. Manipulated Bodies: Case Studies of Post-Mortem Interactions with Human Remains Podium Session.
- 2018 08/09 – Milesi, L., G. Aranda Jiménez, M. Díaz-Zorita Bonilla, **J. Beck**, Á. Lozano Medina, M. Sánchez Romero, J. Escudero Carrillo. Prehistoric enclosures as palimpsests: a deposition of human remains deposition in Ditch 5, Marroquíes Bajos (Jaén, Spain). *European Association of Archaeologists*. Complex Biographies: High-Resolution Chronological Methods Applied to the Study of Late Prehistoric Funerary Palimpsests Podium Session.
- 2018 13/04 – Cobb, E., **J. Beck**, C. Quinn, H. Ciugudean. Health and Mortuary Treatment in Early Bronze Age Transylvania. *Society for American Archaeology*. Bioarchaeology: The Old World Poster Session.
- 2018 12/04 – **Beck, J.**, C. Quinn, H. Ciugudean. From Mounds and Museums: Building a bioarchaeology of the Early Bronze Age in the Apuseni region of Transylvania. *Society for American Archaeology*. Prehistoric and Protohistoric Research from Continental Europe Symposium.
- 2017 *01/12– **Beck, J.**, C. Quinn. Essential tensions: Building a bioarchaeological and archaeological framework for investigating inequality. *American Anthropological Association*, Bioarchaeology and the Biocultural Synthesis: Current Perspectives and Applications Podium Session.
- 2017 20/04 – **Beck, J.** A new method for estimating age from deciduous teeth in archaeological contexts. *American Association of Physical Anthropologists*, Human Dental Anthropology Poster Session.
- 2017 *30/03 – **Beck, J.** Post-mortem manipulation, movement, and memory in Copper Age Iberia. *Society for American Archaeology*, Manipulated Bodies: Investigating Post-Mortem Interactions with Human Remains Podium Session.
- 2016 01/09 – Díaz-Zorita Bonilla, M., **J. Beck**, H. Bocherens, J. Escudero Carillo, M. Isabel Martínez Navarrete, J. Vicent, P. Díaz-del-Río. Dental paleopathology, diet, and mobility at the Copper Age site of Marroquíes Bajos (Jaén, Spain).

- European Association of Archaeologists, Biogeochemical Approaches to Archaeological Diet, Mobility and Disease Podium Session.
- 2016 15/04 – **Beck, J.** and M. Díaz-Zorita Bonilla. Bodies in motion: Isotopic analyses of mobility and diet at Marroquíes Bajos, Spain. *American Association of Physical Anthropologists*, Bioarchaeology Poster Session.
- 2016 *08/04 – **Beck, J.** Mortuary multiplicity: Variability in mortuary treatment at a Late Prehistoric matrix village from Spain. *Society for American Archaeology*, Buried, Burned, Bundled and Broken: Approaches to Co-occurrence of Multiple Methods, Treatments and Styles of Burials Within Past Societies Podium Session.
- 2015 09/02– Díaz-Zorita, M., **J. Beck**, J. Escudero, H. Bocherens, M. Martínez-Navarrete, J. Vicent, and P. Díaz-del-Río. Testing the scale of human mobility at the third millennium BC mega-site of Marroquíes Bajos (Jaén, Spain) through $^{87}\text{Sr}/^{86}\text{Sr}$ and $\delta^{18}\text{O}$ isotope analyses. *European Association of Archaeologists*, (Re)writing the Past Using ‘Novel’ Scientific Techniques Podium Session.
- 2015 18/04 – **Beck, J.** Commingled, communal and complex: reconstructing Iberian Copper Age mortuary practices. *Society for American Archaeology*, Bioarchaeology and Mortuary Archaeology in Europe Podium Session.
- 2015 17/04 – Kinkopf, K. and **J. Beck**. Bioarchaeological detection of looting: A case study from Sudan. *Society for American Archaeology*, Global Studies in Bioarchaeology and Mortuary Archaeology Poster Session.
- 2015 26/03 – **Beck, J.** A dental approach to salvage excavated and commingled burials. *American Association of Physical Anthropologists*, Bioarchaeology Poster Session.
- 2015 *09/01 – Hall, K., A. Antoniou and **J. Beck**. Etched in bone: The forensic taphonomy of undocumented migration. *Society for Historical Archaeology*, Crossing Borders and Erasing Boundaries: An Overview of the First Five Years of the UMP Podium Session.
- 2014 26/04 – Hall, K., A. Antoniou, H. Stewart, **J. Beck** and J. De León. Exploring the taphonomic processes that impact the remains of undocumented border crossers in the Sonoran Desert of Arizona. *Society for American Archaeology*, Archaeology in the Modern World Poster Session.
- 2014 *24/04 – **Beck, J.** Age, identity and burial in Copper Age Iberia. *Society for American Archaeology*, Theoretical Approaches to Analysis and Interpretation of Commingled Human Remains Podium Session.
- 2014 10/04 – **Beck, J.** Intrasite variability in subadult burial during the Iberian Copper Age. *American Association of Physical Anthropologists*, Bioarchaeology: Childhood, Population Dynamics and Cranial Change Poster Session.
- 2013 05/04 – De León, J., **J. Beck**, G. Sollish and S. Yackhsaw. Desert death, taphonomy, and the ethics of killing animals to understand what happens to the corpses of border crossers. *Society for American Archaeology*, Violence, Place-Making and The Materiality of Border Crossing Poster Session.
- 2013 11/03 – **Beck, J.** Dental evidence of changes in female social status during the Middle to Late Woodland Transition. *American Association of Physical Anthropologists*, Bioarchaeology: aDNA, Paleodemography, Status and Variation Poster Session.

- 2012 18/04 – **Beck J.** Diachronic change in avifaunal exploitation at four Late Pueblo village sites in southeastern New Mexico. *Society for American Archaeology, Zooarchaeology and Animal Use Poster Session.*

TEACHING EXPERIENCE

I am prepared to teach Introduction to Archaeology, Introduction to Biological Anthropology, Inequality and the Body in Anthropology, Archaeology of Prehistoric Europe, Bioarchaeology, and Human Osteology.

Vassar College

- 2020 **Instructor of Record (IR):** From Artifacts to Arguments: Introduction to the Archaeology of Prehistoric Europe, First-Year Writing Seminar.
- 2019 **IR:** Written in Bone: Using Human Skeletons to Understand the Ancient Past, First-Year Writing Seminar.

University of Pittsburgh

- 2016 **IR:** Inequality and the Body in Archaeology and Bioarchaeology, Grad. Seminar.

University of Michigan

- 2015 **IR:** The Science of Skeletons: Introduction to Bioarchaeology.
- 2014 **Graduate Student Instructor (GSI):** Nutrition & Human Evolution.
- 2013 **GSI:** Primate Social Behavior.
- 2013 **GSI:** Introduction to Biological Anthropology.
- 2012 **GSI:** Human Behavioral Ecology.
- 2011 **GSI:** Human Evolution.
- 2010 **GSI:** Human Evolution.

INVITED TALKS

- 2018 02/01 – “Written in Bone: The Bioarchaeology of Aggregation and Social Organization in Late Prehistoric Europe” – Bioarchaeology Reading Group Special Event, University of Cambridge.
- 2017 03/24 – “Bioarchaeological insights into life in the past” – Department of Anthropology, Bryn Mawr College.
- 2017 02/03 – “Bioarchaeology of social organization in Late Prehistoric Europe” – Anthropology Department Colloquium Series, Pennsylvania State University.
- 2016 09/09 – “Commingle complexity: Reconstructing Iberian Copper Age mortuary practices” – University of Pittsburgh Department of Anthropology Colloquium Series.

DEPARTMENTAL AND PUBLIC TALKS

- 2019 12/18 – “Piecing Together the Past: What Human Skeletons Can Tell Us About Ancient Lives”. US Embassy Ankara, Brown Bag Talk.
- 2019 05/22 – “Crossroads and cul-de-sacs: Osteoarchaeological investigations of late prehistoric Romania and Iberia”. Post-Doc Research Day, McDonald Institute for

- Archaeological Research, University of Cambridge.
- 2018 10/17 – “Introduction to the U.S. Academic Job Market” – Department of Archaeology, University of Cambridge, Professional Development Series.
- 2018 03/06 – “Effective conference presentations and networking” – Department of Archaeology, University of Cambridge, Professional Development Series.
- 2016 03/18 – “How bioarchaeology can contribute to studies of mobility and movement in the past” – University of Michigan Collaborative Archaeology Workgroup Conference, Migration and mobility: Permanent and persistent movements of people.
- 2015 11/09 – “Bare bones? Bioarchaeological approaches to prehistory.” Department of Anthropology, Four-Field Graduate Talks.
- 2015 10/15 – “Bioarchaeological approaches to Copper Age complexity.” Kelsey Museum Field Archaeology Series on Thursday (FAST) Lecture Series.
- 2015 10/01 – “Piecing together the puzzle: The bioarchaeology of early complex societies in Iberia.” University of Michigan Museum of Anthropology Brown Bag.
- 2015 09/17 – “Skeleton keys: Using bioarchaeology to unlock the prehistoric past.” Michigan Archaeology Society, Huron Valley Chapter.
- 2013 12/03 – “Bring out your dead: What bioarchaeology and mortuary practices can tell us about social organization and identity in Copper Age Iberia.” Department of Anthropology, Four-Field Graduate Talks.
- 2013 11/21 – “Collective burials in Copper Age Iberia: Preliminary research at the site of Marroquíes Bajos, Jaén.” University of Michigan Museum of Anthropology Brown Bag.
- 2013 03/23 – “Shifting skeletons: Osteological indicators of health during the Middle to Late Woodland transition in the lower Illinois River valley.” University of Michigan Four Field Anthropology Graduate Conference.
- 2012 10/02 – “Death and burial in Copper Age Iberia.” Weiser Center for Europe and Eurasia, International Institute.
- 2009 10/31 – “The potential for hybridization between Neanderthals and AMHs: A survey of biological parallels and the ecological potential for interbreeding in Europe.” U. Michigan Graduate Workshop on Archaeology and Material Culture.

GUEST LECTURES

- 2017 11/16 – “Bioarchaeology Q&A Session” – ANTH B274: Bioarchaeology, Bryn Mawr College.
- 2016 11/15 – “Forensic research in the Undocumented Migration Project” – ANTH 331: Disaster Archaeology, Vassar College.

SELECTED ARCHAEOLOGICAL FIELD AND LABORATORY EXPERIENCE

- 2018–present **Bioarchaeologist**, Los Melgarejos archaeological site (Getafe, Spain). Team member of TRIBE project (PGC2018-095506-B-I00), funded by the Ministerio de Ciencia, Innovación y Universidades, Spain.
- 2016–present **Co-Director**, Mortuary Archaeology of the Râmpeț Bronze Age Landscape

- 2013–2015 **Director**, Marroquíes Bajos Bioarchaeological Project, Jaen, Spain.
Bioarchaeological analysis of commingled and fragmentary remains of more than 200 individuals.
- 2012 **Field archaeologist**, Bolorés Mortuary Rockshelter.
Directed by Katina Lillios, University of Iowa.
- 2011 **Crew chief**, Garden Creek Archaeology Project.
Directed by Alice Wright, University of Michigan.
- 2010 **Field archaeologist**, Phosphorus Sampling and Survey on Visingsö
Directed by T.J. Cheval, University of Buffalo.
- 2010 **Field archaeologist**, Bolorés Mortuary Rockshelter.
Directed by Katina Lillios, University of Iowa.
- 2009 **Field archaeologist**, Social Change and the Environment in Northern Prehistory,
Directed by Andre Costopoulos, McGill University.
- 2009 **Field Archaeologist**, Arena Candide.
Directed by Julien Real Salvatore, University of Denver.
- 2008 **Field Archaeologist**, Druze Marsh Archaeological and Paleoecological Research
Project, Directed by April Nowell, University of Victoria.
- 2006 **Field school student**, McGill-Oulu University Field School.
Directed by Andre Costopoulos, McGill University.

OSTEOLOGICAL AND BIOARCHAEOLOGICAL TRAINING

- 2012 ANA 7010: Human Gross Anatomy (9 credits),
Wayne State University Medical School.
- 2012 25th Annual Forensic Anthropology Course (06/11-06/15),
Maryland Office of the Chief Medical Examiner.
- 2011 ASM 583: Bioarchaeology and Human Osteology (9 credits),
ASU Kampsville Field Program.
- 2011 ANTHRBIO 477: Laboratory in Human Osteology (4 credits),
University of Michigan.

PEDAGOGY AND CAREER DEVELOPMENT

- 2020 02/21 – “Teaching with Technology”: Talking about Teaching/Partnering
Pedagogy workshop, Vassar College (VC).
- 2020 01/24 – “Classroom Participation”: Talking about Teaching/Partnering Pedagogy
workshop, VC.
- 2019–2020 Member of Junior Faculty Conversation Group “Intentional Pedagogies”, Vassar
College.
- 2016 Rackham-CRLT May Seminar on Preparing Future Faculty.
<http://www.crlt.umich.edu/programs/pff>
- 2016 Graduate Teaching consultant for the Center for Research on Learning and
Teaching (CRLT).
- 2016 Experienced GSI – English Language Institute 994: College Teaching at the UM.
- 2016 Practice Teaching Facilitator – Engineering IA Teaching Orientation.
- 2016 Practice Teaching Facilitator and Session Facilitator – Winter CRLT Graduate
Student Instructor (GSI) Teaching Orientation
- 2015 Facilitator for “Evaluating Student Writing” workshop, Philosophy Department.

- 2015 “Observing Classes & Gathering Midterm Student Feedback” – CRLT workshop.
- 2015 “Consulting with Graduate Student Instructors” – CRLT workshop.
- 2015 Graduate Teaching Consultant for the CRLT.
- 2015 Practice Teaching Facilitator and Session Facilitator – Fall CRLT GSI Teaching Orientation.
- 2015 “Advanced Strategies for Inclusive Teaching” – CRLT workshop.
- 2015 “Teaching Efficiently with Technology” – CRLT workshop.
- 2014 University of Michigan Graduate Teacher Certificate.
<http://crlt.umich.edu/um.gtc/description>
- 2013 SWC 993: Teaching Writing in the Disciplines – 1 credit course.
- 2013 “Engaging Students in Learning” – CRLT workshop.
- 2013 “Next Steps with Instructional Technology” – CRLT workshop.
- 2012 “Now That I Have It, What Grade Should I Give It? Evaluating Student Writing” – CRLT workshop.
- 2012 “Facilitating Classroom Discussions in the Social Sciences and the Humanities” – CRLT workshop.

DEPARTMENTAL & COLLEGE SERVICE

- 2018–2019 IberoArch UK 2019 Workshop – Organizing Committee, McDonald Institute.
- 2018–2019 Visibility Representative, Postdoctoral Committee, McDonald Institute
- 2017–2019 Co-organizer, Bioarchaeology Reading Group, McDonald Institute.
- 2018 Churchill College Advanced Students Mentoring Scheme, Mentorship of MPhil students in Theoretical and Applied Linguistics and ELAC.
- 2017 Churchill College Advanced Students Mentoring Scheme, Mentorship of two PhD students in social anthropology and architecture.
- 2016 Honors Research Symposium Poster Judge, Dept. of Anthropology, University of Michigan (UM).
- 2016 Undergraduate Honors Thesis Writing Panel, Dept. of Anthropology (UM).
- 2015 Career Path Panel, Undergraduate Archaeology Seminar (UM)
- 2015 Mentor for Honors Undergraduates, Dept. of Anthropology (UM).
- 2015 Graduate Panel, Undergraduate Research Opportunity Program (UM).
- 2015 Undergraduate Honors Thesis Writing Panel, Dept. of Anthropology (UM).
- 2014 Honors Research Symposium Poster Judge, Dept. of Anthropology (UM).
- 2013 Mentor for Honors Undergraduate, Dept. of Anthropology (UM).
- 2011 Executive Committee Graduate Student Representative, Museum of Anthropological Archaeology (UM).
- 2010 Secretary, Michigan Anthropology Graduate Association (Winter) (UM).
- 2009 Secretary, Michigan Anthropology Graduate Association (Fall) (UM).

PROFESSIONAL SERVICE

- 2020 Associate Editor, *Society for Archaeological Science Bulletin*.
- 2019 Reviewer, *International Journal of Osteoarchaeology* (x2).
- 2018 Reviewer, *Journal of Archaeological Science: Reports*.
- 2018 Book Reviewer, *American Antiquity*.
- 2018 Reviewer, *Advances in Archaeological Practice*.
- 2018 Reviewer, *Archaeological Review from Cambridge*.

- 2018 Reviewer, [Open Archaeology](#).
 2017 Reviewer, [Trabajos de Prehistoria](#).
 2017 Reviewer, [National Science Foundation](#), [Archaeology](#).
 2016 Reviewer, [International Journal of Osteoarchaeology](#).
 2015 Reviewer, [Journal of Anthropological Archaeology](#).

PUBLIC OUTREACH

- 2013–present **Bone Broke Blog** (author): <http://www.bonebroke.org/>. I write engaging osteology, bioarchaeology, and anthropology posts with an active emphasis on pedagogy. As of September 2019, it has had 395,000 views. Referenced in K. Meyers Emery and K. Killgrove (2015) “[Bones, Bodies and Blogs: Outreach and Engagement in Bioarchaeology](#)” *Internet Archaeology*: 39.
- 2019 12/20 – Archaeology Talk and Q&A, Ankara EHS (Grade 9–10 High School Biology Class)
- 2018 10/20 – Cambridge Archaeological Unit Public Archaeology Day, volunteer.
- 2018 03/17 – University of Cambridge Science Festival, “Game of Bones” station (MI).
- 2017 10/26 – University of Cambridge Festival of Ideas, “Piecing Together the Human Past: Osteoarchaeological Approaches to Prehistory” (McDonald Institute).
- 2016 05/22 – Scientist Spotlight, station “Solving Puzzles Made of Bone” (RMNH).
- 2016 03/19 – Discovery Day: It’s About Time! station “Solving Puzzles Made of Bone” (RMNH).
- 2016 03/12 – Portal to the Public Workshop 2: Prototyping Your Activity (RMNH).
- 2016 02/12 – Portal to the Public Workshop 1: How People Learn (RMNH).
- 2016 Science Communication Fellow, National Science Foundation Portal to the Public Program (RMNH).
- 2011–2016 Archaeology Days, University of Michigan Museum of Anthropological Archaeology (UMMAA) [events on 02/11/17; 03/21/14; 01/27/15; 02/12/16].
